

Preface to 2025 Vegetarian Society Certification

Capsugel® Empty Hard Capsules

Per the Contract Agreement between Capsugel Belgium NV and the Vegetarian Society of the United Kingdom, the following Capsugel® products are covered by the 2025 Vegetarian Society certification.

- Capsugel® DRcaps® Capsules
- Capsugel® Plantcaps® Capsules
- Capsugel® Vcaps® Capsules
- Capsugel® Vcaps® Gen C Capsules
- Capsugel® Vcaps® Plus Capsules

Transparent capsules and capsules containing titanium dioxide (food-grade) are vegetarian and vegan-certified. Capsules containing colorants and pigments are vegetarian and vegan-certified, except for those containing carmine. Imprinted capsules are vegetarian and vegan-certified if imprinted with shellac-free ink.

Vegetarian Society-certified capsules are manufactured at Lonza sites located in Puebla, Mexico; Greenwood, USA; Colmar, France; Sagamihara, Japan; and Suzhou, China.

For further information, please contact your Lonza Representative.

The information contained herein corresponds to Lonza's knowledge on the subject at the date of publication and is, to the best of our knowledge, accurate. However, Lonza refuses any liability for the application and use of further processed material containing our products. Solely the manufacturer of the final product is responsible according to the relevant regulations.

**Last update:
January, 2025**

www.vegsoc.org/approved
